

LINDA HILTS, Artist

Since high school, art has always been a passion for me - the smell of the paint, the texture of smooth, yet sometimes grainy, clay between my fingers, the sight of colors mixing and blending with each other is the creative magic that art is made of.

Life took me in many directions and locations enabling me to enjoy different cultures and flavors across the US as well as Europe. Along the way, I integrated art into my life in many forms. As an entrepreneur, I began a successful “Children’s Art Parties” business in Morgantown, West Virginia and developed and taught a children’s art program at the Monongalia Art Center in Morgantown, as well. Home Décor and Floral Design Certificates were earned in yet another move across the country using these skills into my artwork.

I have earned a Bachelor’s Degree and an Art Certificate in Studio Art from Immaculata University. I am a proud member of the Society of Bluffton Artists in Old Town Bluffton, the Art League of Hilton Head, and the All About Art Club in Sun City,

After retiring to Bluffton, SC from Marlborough, Massachusetts, I continue to paint in my favorite mediums – Acrylic, Watercolor, and Pastel. As my entrepreneurial spirit is still strong, my husband and I began Act II Enterprises to repurpose and upscale unwanted orphaned wood furniture.

Paint On!
