

FREE CARD MAKING WORKSHOP

Wednesday May 18th

2:00 - 3:00 PM

Maximum Number of Students: 24

You must sign up in the art room to reserve your spot.

Have you ever wanted to make cards of your paintings to use to send notes to friends or to sell in the art room?

Some of our member card makers will share information on how they make or have their cards printed by an outside service. Several methods will be explained.

This will be an informational class to help you get started. There will be handouts available.
