

What COLOR IS Water?

Techniques for Painting Water in Watercolor by Mary Treadwell

- Date: Thursday, June 23, 2022
- Time: 1:30 pm – 4:00 pm
- Cost: \$25 – on Cam Card
- Class size: 2-12
- Signup: Visit the AAA Club and signup in the Class Book located on the front counter. AAA members only.
- Description: What color is water?
- There are so many situations where we paint water, such as still, standing, flowing, deep, shallow, rivers, lakes, and coasts, to name a few.
- In this class Mary will demonstrate various techniques for painting water, its reflections, and shadows.
- Includes both demonstration and practice.
- Materials List: Cold press watercolor paper, cut to 7.5in x 5.5 in.
Watercolor paint
Watercolor brushes, small, medium and large
Stiff board and tape for mounting
